To the Honourable the President and Members of the Legislative Council in this present Parliament assembled –

The humble Petition of the undersigned residents of South Australia respectfully sheweth:- That

Martindale Hall is one of the best examples of Georgian architecture in Australia and represents an historic piece of South Australian History. The potential sale of Martindale Hall for the redevelopment into an exclusive luxury resort has received serious and ongoing backlash from the people of South Australia.

It is incumbent upon the Government to listen to and acknowledge the submissions received by the yourSAy website where the overwhelming response from South Australian's was to reject the proposed redevelopment of Martindale Hall.

The National Trust of South Australia's petition has garnered over 1400 signatures urging the Government to reject the sale and to ensure the ownership of Martindale Hall remains with the people of South Australia, as was intended in the original bequest.

Your petitioners therefore pray that your Honourable House will

1. Prevent the sale and redevelopment of Martindale Hall;
2. Call on the Government to honour the intention of the original bequest of the Mortlock family by ensuring that Martindale Hall remains in trust for the people of South Australia;

And your petitioners, as in duty bound, will ever pray.
